NOTES

WHAT IS DIGITAL MARKETING ?

Digital marketing is the use of digital channels or technologies to sell or promote a product or service. Content marketing, email marketing, pay per-click (PPC) advertising, and SEO all fall under the umbrella of digital marketing. Put more simply: if you're being nudged to buy something when you're online, then that's digital marketing at work.

Our Focus is to work on your image, support your business, increase your customer outreach, increase sales, guarantee your return for money invested and assist you with arriving at your clients. We create custom strategies for each of our clients based on their needs and goals.

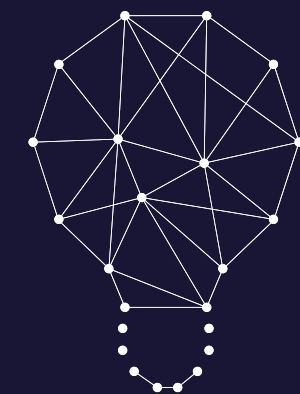

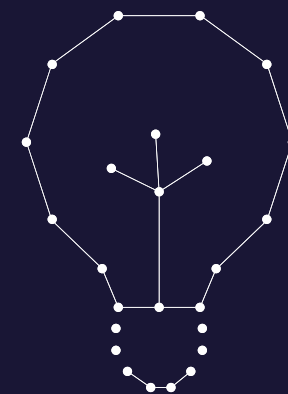

SERVICES

Website Development

Attract, interact, and convert with user- friendly web designs that are equally responsive on smart gadgets

Graphic Design & Video Production

Effective graphic design and video production enhance brand recognition and leave a memorable impression on audiences, boosting brand visibility and recall.

Branding & Concept Designing

Branding is the art of shaping a brand's identity, including its name, logo, and messaging, to establish a strong and memorable presence in the market.

Social Media Marketing

Social media marketing allows businesses to reach a vast and diverse audience, including potential customers from different demographics and geographic locations.

Lead Generation

Various digital channels like PPC (Pay-Per-Click) advertising, affiliate marketing, and social media advertising drives targeted traffic, acquire leads, and achieve tangible business outcomes.

Search Engine Optimization (SEO)

SEO helps improve a website's visibility on search engine result pages. By optimizing for relevant keywords and implementing SEO best practices, websites can rank higher, attracting more organic traffic and potential customers.

SERVICES

Content Marketing

Content marketing allows businesses to showcase their expertise, knowledge, and thought leadership in their industry. Through valuable and relevant content, businesses can establish building stronger relationships with their audience.

E-commerce Product Listing

E-commerce product listings includes comprehensive and accurate product descriptions. These descriptions highlight the product's features, specifications, and benefits, helping customers make informed purchase decisions and reducing the likelihood of returns.

Web & Mobile App Development

Developing tailored web and mobile apps allows businesses to optimize user experience by providing a seamless, intuitive, and interactive interface. This leads to higher customer satisfaction, increased user retention, and positive brand perception.

Affiliate Marketing

Affiliate marketing allows businesses to tap into the networks and audiences of various affiliates. This broadens the reach of their products or services, exposing them to a wider and diverse audience that might not have been reached through traditional marketing efforts alone.

Online Reputation Management

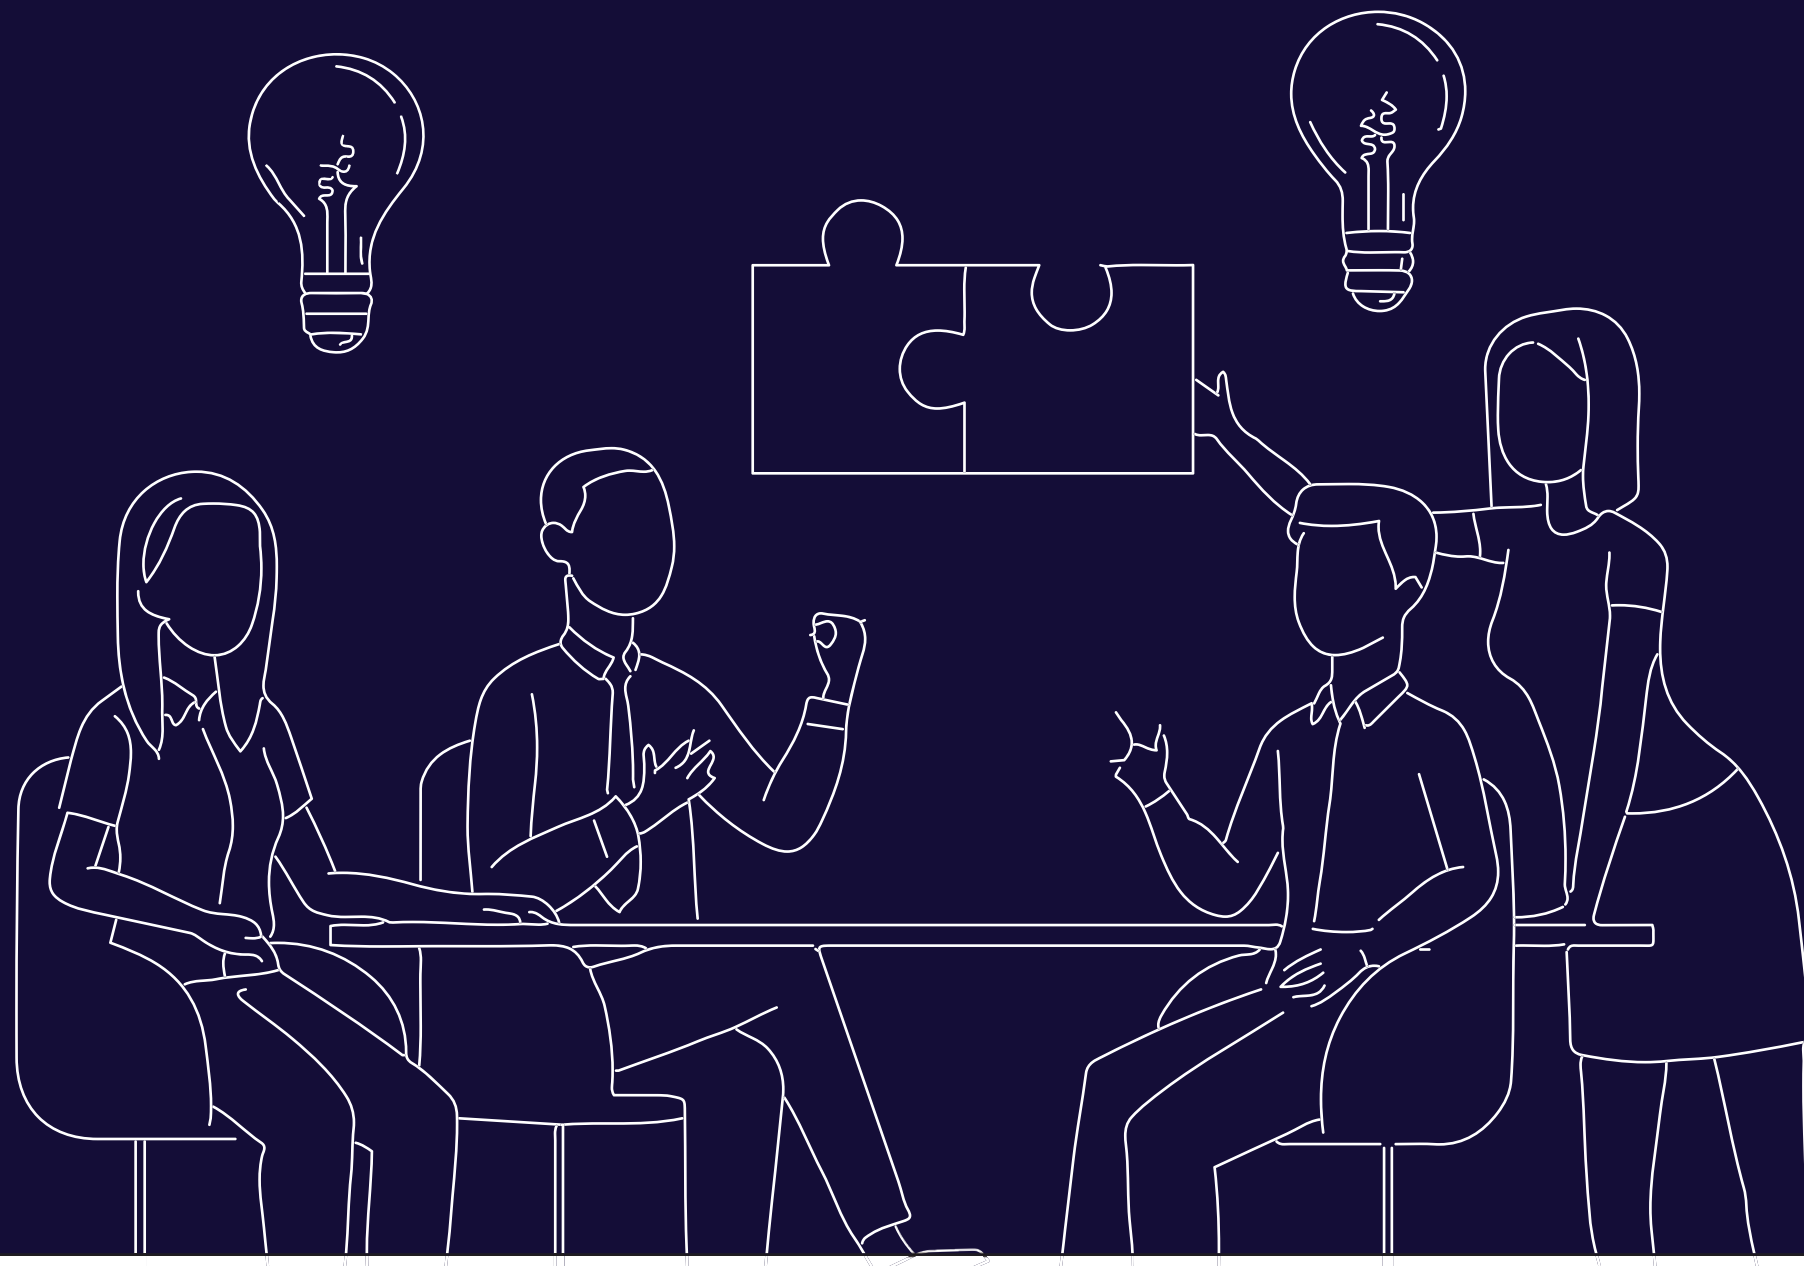

Online reputation management allows businesses to monitor and respond to online reviews, comments, and mentions. By addressing negative feedback promptly and showcasing positive customer experiences, businesses can build a positive brand image, leading to increased trust and credibility among potential customers.

Sms/Whatsapp/Email Marketing

Bulk SMS / Whatsapp / Email marketing allows businesses to personalize messages based on customer data and behavior. Segmentation enables targeting specific groups, ensuring that recipients receive relevant content tailored to their preferences and needs. It is a cost-effective method for reaching a large audience.

DIGITAL MARKETING OUTCOME

1. Local & Global Reach

2. Effective Audience Targeting

3. Lower Cost

4. Multiple platforms to market

5. Multiple Strategies

6. Brand & Client Trust Building

7. Increased Engagement

8. More Clients

9. Desired Business Growth

PALM
BELLAGIO
Feel the essence of Mega Living

Idea Drafting & Copywriting

The branding of Palm Bellagio, the luxurious residential project at Raipur Chhattisgarh was conceptualized and designed on the idea of Mega Living.

A life where you live a mega life, where luxury is mega, celebration is mega and everything you desire in life is mega.

The gorgeous Sonal Chaouhan was opted to promote this luxurious project and she became the face of the campaign for Palm Bellagio. Her beauty and our creativity went hand in hand and we delivered a successful work which eventually made Palm Bellagio popular among its potential customers.

[ABOUT US](#)

[ABOUT US](#)

Crux India

Crux Risk Management is a Private Limited company in India. Crux Risk Management is a specialized provider of Risk management services today. It is run by experienced professionals with expertise in numerous different companies. Ever questioned why so many businesses claim to offer the greatest service, just so few actually accomplish? CRUX RISK MANAGEMENT is aware of this issue, and in order to set ourselves apart, we have created an internal business model that fulfills our promises. A few justifications for using Crux Risk Management. First and foremost, Risk Management is our only priority. We become proficient at what we do by doing one thing each day. Second, compared to the larger consulting organizations, our costs are really reasonable. To guarantee a financially sensible solution, we are able to draw on a flexible pool of resources.

Phulkari, meaning "flower work", is a traditional handmade embroidery technique, created by the marvelous women of Punjab. Initially, it was purely a domestic art, in other words a true folk art to satisfy the creative urge of Punjab women and was not for sale. This handcrafted embroidery is done with Ross silk thread on hand woven cotton fabric, that creates astonishing patterns (especially geometric patterns) on coloring shawls, kurtis and chunnis.

CLIENT TESTIMONIAL

VIMAL SHAH

Amazing experience working with the team of IERIX ! They are in every case exceptionally responsive and ceaselessly gives us ideas to work on our online presence.

NAVIN KASTURIYA

IERIX has worked effectively upgrading our site to take it from plain and utilitarian to incredibly proficient. We would energetically prescribe IERIX to any business that needs.

SEEMA AGARWAL

We have an extraordinary business relationship with IERIX. We had worked with a few other showcasing organizations in the past who didn't convey results and I'm glad.

VIKAS WADHWA

Magnificent experience working with the group at Ierix! They are in every case exceptionally responsive and constantly gives us ideas to work on our web-based presence in

THANK YOU
